Application for Summer Internship Opportunity

Dear Sir,

I hope you are doing well. My name is Ashish Ranjan, and I am currently a First year student pursuing a Bachelor of Technology in Computer Science Engineering at ViT Bhopal. I am writing to express my interest in the summer internship opportunities available at Salesforce.

I am particularly interested in gaining practical experience in AiMl intern, and I believe that an internship at your organization would provide valuable exposure to real-world applications and industry practices.

I have developed a strong foundation in Artificial Intelligence and machine learning, and I am eager to apply my knowledge while learning from experienced professionals. I am also a quick learner, highly motivated, and enthusiastic about contributing positively to your team.

I have attached my resume for your review. I would greatly appreciate the opportunity to discuss how my skills and interests align with your internship program.

Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,
Ashish Ranjan
